Supply and Delivery of Motor Vehicles

4.2L STANDARD 5-MT 4x4 - STATION WAGON &

Manual Double Cabin 2.4 D-4D as per Specifications

SECTION A: TENDER NOTICE

Nairobi, September 2020.

VSF – SUISSE/KENYA, invite tenderers from eligible candidates for the supply and delivery of motor vehicles; 4.2L Standard 5-MT 4x4 - station wagon & Manual Double Cabin 2.4 D-4D as per Specifications.

1. SECTION B: GENERAL INFORMATION

Introduction

1.1. Eligible tenderers

This invitation to tender is open to all tenderers eligible as re-advertised in the VSF Suisse/Kenya and SOMIRENEC websites (www.vsf-suisse.org and www.somirenec.org) respectively on 1st September 2020; and in the Standard Newspaper on 2nd September 2020 and conditions herein defined in the tender document. Successful tenderer(s) shall complete the supply of goods by the intended completion date specified in the tender documents.

1.2. Eligible Goods

All goods to be supplied under the contract shall have their origin in eligible source countries. The origin of goods is distinct from the nationality of the tenderer.

2. Cost of tendering

The tenderer shall bear all costs associated with the preparation and submission of its tender, and the procuring entity, will in no case be responsible or liable for those costs regardless of the conduct or outcome of the tendering process.

The tender document

3. Contents

The tender document comprises the documents listed below

- (i) Invitation for tender
- (ii) General information
- (iii) General conditions of contract
- (iv) Special conditions of contract
- (v) Schedule of requirements
- (vi) Technical specifications
- (vii) Tender form and price schedules for goods

The tenderer is expected to examine all instructions, forms, terms, and specifications in the tender documents. Failure to furnish all information requested by the tender documents or to submit a tender not substantially responsive to the tender documents in every respect will be at the tenderers risk and may result in the rejection of its tender.

Preparation of tenders

4. Language of tender

The tender prepared by the tenderer, as well as all correspondence and documents relating to the tender exchanged by the tenderer and the procuring entity, shall be written in English language.

5. Document comprising the tender

The tender prepared by the tenderer shall comprise the following components:

- (a) A tender form and a price schedule completed in accordance with paragraph 6, 7 and 8 below;
- (b) Documentary evidence established in accordance with paragraph 10 that the tenderer is eligible to tender and is qualified to perform the contract if its tender is accepted;

- (c) Documentary evidence established in accordance with paragraph 11 that the goods to be supplied by the tenderer are eligible goods and conform to the tender documents.

6. Tender form

The tenderer shall complete the tender form and appropriate price schedule furnished in the tender documents, indicating the goods to be supplied, a brief description of the goods, their country of origin, quality and prices.

7. Tender prices

The tender shall indicate on the appropriate price schedule the unit prices and total tender price of the goods it proposes to supply under the contract.

Prices indicated on the Price Schedule shall be entered separately in the following manner:

- (a) the price of the goods quoted EXW (ex-works, ex-factory, ex-warehouse, ex-showroom, or off-the-shelf, as applicable), including all customs duties and sales and others taxes already paid or payable.
- (b) charges for inland transportation, insurance, and other local costs incidental to delivery of the goods to their final destination.

Prices quoted by the tenderer shall be fixed during the tender's performance of the contract and not subject to variation on any account. A tender submitted with an adjustable price quotation will be treated as non-responsive and will be rejected.

8. Tender currencies

Prices shall be quoted in Euros (€).

9. Tenderers eligibility and qualifications

The tenderer shall furnish, as part of its tender, documents establishing the tenderers eligibility to tender and its qualifications to perform the contract if its tender is accepted.

The documentary evidence of the tenderers qualifications to perform the contract if its tender is accepted shall establish to the procuring entity's satisfaction:

- (a) that the tenderer has the financial, technical and professional capability necessary to perform the contract. This could be by way of evidence of past similar contracts/jobs.
- (b) that, in the case of a tenderer offering to supply goods under the contract which the tenderer did not manufacture or otherwise produce, the tenderer has been duly authorized by the goods' manufacturer or producer to supply the goods;

10. Goods' eligibility and conformity to the tender documents

Pursuant paragraph 2 of this section, the tenderer shall furnish, as part of its tender, documents establishing the eligibility and conformity to the tender documents of all goods, which the tenderer proposes to supply under the contract.

The documentary evidence of the eligibility of the goods shall consist of a statement in the price schedule of the country of origin of the goods and services offered.

The documentary evidence of conformity of the goods to the tender documents may be in form of literature, drawings and data. It shall consist of a detailed description of the essential technical characteristics of the goods. Wherever possible, samples/brochures of the goods to be supplied must be presented to the procuring entity.

11. Validity of tenders

Tenders shall remain valid for 180 days after the tender opening prescribed by the procuring entity with notice of at least 1 month in case of change of price. A tender valid for a shorter period shall be rejected by the procuring entity as non responsive.

12. Format and signing of tender

The procuring entity shall prepare the tender.

The tender shall be typed or written in indelible ink and shall be signed by the tenderer or a person or persons duly authorized to bind the tenderer to the contract. All pages of the tender, except for unamended printed literature, shall be initialed by the person or persons signing and shall be stamped with the tenderer's official emblem.

The tender shall have no interlineations, erasures, or overwriting except as necessary to correct errors made by the tenderer, in which case such corrections shall be initialed by the person or persons signing the tender.

Submission of tender

13. Sealing and Marking of Tenders

The tenderer shall seal the tender in an envelope and delivered at the tender box located at:

VSF-Suisse/Kenya Offices,

Methodist Church of Kenya, Nairobi Synod Building, 2nd Floor

Muthangari Road, off Gitanga Road Lavington, Nairobi

Alternatively, tenders can be forwarded by email to Office.Nairobi@vsf-suisse.org with all necessary documentation attached.

14. Deadline for submission of tenders

Tenders must be received by the procuring entity at the address specified under paragraph 13 no later than September 18th, 2020 at 4:30 PM EAST.

The procuring entity may, at its discretion, extend this deadline for the submission of tenders by amending the tender documents, in which case all rights and obligations of the procuring entity and candidates previously subject to the deadline will thereafter be subject to the deadline as extended.

Opening and evaluation of tenders

15. Opening of tenders

The procuring entity will open all tenders in the presence of the tender committee on September 23rd, 2020 at 11:30 AM EAST at the meeting room at VSF-Suisse/Kenya Offices, Methodist Church of Kenya, Nairobi Synod Building, 2nd Floor Muthangari Road, off Gitanga Road Lavington, Nairobi

The participants at the opening of the tenders shall sign a register evidencing their attendance.

The tenderers' name, tender prices, discount, and the presence or absence of requisite tender documents, and other details as the procuring entity may consider appropriate will be announced at the opening.

The procuring entity will prepare minutes of the tender opening.

16. Clarification of tenders

To assist in the examination, evaluation and comparison of tenders the procuring entity may, at its discretion, ask the tenderer for clarification of its tender.

Any effort by the tenderer to influence the procuring entity during the evaluation process may result in the rejection of the tenders.

17. Preliminary examination

The procuring entity will examine the tenders to determine whether they are complete, whether any computational errors have been made, whether required sureties have been furnished, whether the documents have been properly signed, and whether the tenders are generally in order.

The procuring entity may waive any minor informality or non-conformity or irregularity in a tender which does not constitute a material deviation, provided such waiver does not prejudice or affect the relative ranking of any tenderer.

If a tender is not substantially responsive, it will be rejected by the procuring entity and may not subsequently be made responsive by the tenderers correction of the nonconformity.

18. Evaluation and comparison of tenders

The procuring entity will evaluate and compare the tenders, which have been determined to be substantially responsive, pursuant to paragraph 18.

The comparison shall consider the prices of the goods at the given location, such price to include all costs as well as duties and taxes.

The procuring entity's evaluation of a tender will take into account, in addition to the tender price, the following factors in a manner and to the extent indicated as follows:

- a) Delivery schedule offered in the tender: the procuring entity requires that the goods under the invitation for tenders shall be delivered at the time specified in the scheduled of requirements. Tenders offering deliveries longer than the procuring entity's required delivery time will be treated as non-responsive and rejected.
- b) Suppliers should provide adequate custom documents where necessary.
- c) Payment should be done within 30 days latest.
- d) The quality of goods offered by the tenderer.

Award of contracts

19. Post qualification

The determination will take into account the tenderer's financial, professional and selling capabilities and integrity. It will be based upon an examination of the documentary evidence of the tenderers qualifications submitted by the tenderer and the guarantee given for each tenderers.

An affirmative determination will be a prerequisite for award of the contract to the tender. A negative determination will lead to rejection of the tenderer's tender, in which event the procuring entity will proceed to the next lowest evaluated tender to make a similar determination of that tenderer's capabilities to perform satisfactorily.

20. Award criteria

The procuring entity will award the contract to the successful tenderers whose tender has been determined to be substantially responsive and has been determined to be the lowest evaluated tender, provide further that the tenderer is determined to be qualified to perform the contract satisfactorily.

The procuring entity reserves the right to accept or reject any tender and does not bind itself to accept the lowest tender or any or give reasons for rejection

21. Procuring entity's right to vary quantities

The procuring entity reserves the right at the time of contract award to increase or decrease the quantity of goods originally specified in the schedule of requirements without any change in unit price or other terms and conditions.

22. Notification of award

Prior to the expiration of the period of tender validity, the procuring entity will notify the successful tenderer in writing that its tender has been accepted.

The notification of award will constitute the formation of the contract. The notification of award will lead to the preparation of the contract as per form attached and the provision of Local Purchase Order.

23. Signing of contract

At the same time as the procuring entity notifies the successful tenderer that its tender has been accepted, the procuring entity will send the tenderer the contract form provided in the tender documents, incorporating all agreements between the parties.

24. Performance security

Failure to successful tenderer to comply with the requirement of paragraph 22 or 23 shall constitute sufficient grounds for the annulment of the award, in which event the procuring entity may make the award to the next lowest evaluated candidate or call for new tenders.

25. Corrupt Fraudulent Practices

The Procuring entity requires that tenderers observe the highest standard of ethics during the procurement process and execution of contracts. In pursuance of this policy, the Procuring agency will reject a proposal for award if it determines that the tenderer recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question.

SECTION C: GENERAL CONDITIONS OF CONTRACT

1. Definitions

In this contract, the following terms shall be interpreted as indicated:

- a) “the contract” means the agreement entered into between the procuring entity and the tenderer, as recorded in the contract form signed by the parties, including all attachments and appendices thereto and all documents incorporated by references therein.
- b) “the contract price” means the price payable to the tenderer under the contract for the full and proper performance of its contractual obligations.
- c) “the goods” means all of the commodities and other materials, which the tender is required to supply to the procuring entity under the contract.

The tenderer shall provide such packing of the Goods as is required to prevent their damage or deterioration during transit to their final destination, as indicated in the contract.

7. Delivery and documents

Delivery of the goods shall be made by the tenderer in accordance with the terms specified by procuring entity in its schedule of requirements and the special conditions of contract.

8. Payment

The method and conditions of payment to be made to the tenderer under this contract shall be specified in special conditions of contracts.

Payments shall be made promptly by the procuring entity as specified in the contract.

9. Prices

Prices charged by the tenderer for goods delivered and services performed under the contract shall not, with the exception of any price adjustment authorized in special conditions of contract, vary from the prices by the tenderer in its tender.

10. Assignment

The tenderer shall not assign, in whole or in part, its obligations to perform under this contract, except with the procuring entity's prior written consent.

11. Termination for default

The procuring entity may, without prejudice to any other remedy for breach of contract, by written notice of default sent to the tenderer, terminate this contract in whole or in part:

- a) if the tenderer fails to deliver any or all the goods within the period specified in the contract, or within any extension thereof granted by the procuring entity.
- b) if the tenderer fails to perform any other obligation under the contract.
- c) if the tenderer, in the judgment of the procuring entity has engaged in corrupt or fraudulent practices in competing for or in executing the contract.

12. Language and law

The language of contract and the law governing the contract shall be the English language and the general conditions applied for the tenders of E.U.

13. Force majeure

The tenderer shall not be liable for forfeiture of its performance security, or termination for default if and to the extent that its delay in performance or other failure to perform its obligations under the contract is the result of an event of force majeure.

SECTION D: SPECIAL CONDITIONS OF CONTRACT

1. Special conditions of contract shall supplement the general conditions of contract. Whenever there is a conflict, the provision herein shall prevail over those in the general conditions of contract.
